

## **Syncordia Technologies and Healthcare Solutions, Corp. Announces Resignation of CTO Effective February 18, 2016**

**Toronto, Ontario. February 5, 2016 – Syncordia Technologies and Healthcare Solutions, Corp. (TSXV: SYN)** (“Syncordia” or the “Company”) today announced the resignation of Chief Technology Officer Michael Plotkin. He will be leaving the Company on February 18, 2016 to accept a new opportunity outside of Canada allowing him to be closer to his immediate family. All his functions and responsibilities will be transferred to Chris Martin. Mr. Martin currently serves as Chief Strategy Officer and has been instrumental in the direction and development of Syncordia’s technology strategy and vision.

“We are grateful for the contributions and commitment Michael Plotkin provided to Syncordia since the inception of the Company,” said, Michael Franks, Chief Executive Officer of Syncordia.

### **About Syncordia Technologies and Healthcare Solutions, Corp.**

We are a technology enhanced revenue cycle management (“RCM”) company focused on underserved niche segments of the healthcare industry. We are building a diversified software and services business by consolidating healthcare billing providers. Our growth strategy is to acquire RCM businesses with and without software and, improve their profitability by increasing revenues and operating efficiencies using our software, and in time, commercializing the Syncordia Cloud, our cloud-based software offering, to provide customer demanded turn-key solutions from a single provider and to address compelling RCM market opportunities.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
