

Syncordia to Attend Air Medical Transport Conference in Charlotte, NC

TORONTO, ONTARIO & SANTA ROSA, CALIFORNIA – September 22nd, 2016 – Syncordia Technologies and Healthcare Solutions, Corp. (TSXV: SYN) (“Syncordia or the “Company”) together with its subsidiary Health Services Integration (“HSI”) a leader in Emergency Medical Services (“EMS”) revenue cycle management (“RCM”) announced that it will attend and exhibit at the Air Medical Transport Conference (“AMTC”) from September 26th to 28th, 2016 in Charlotte, North Carolina.

The AMTC is the largest air medical convention and exposition with an anticipated attendance of more than 2,500 people representing air medical programs across the country. In addition to continuing education courses for pilots, medical crews, and flight communication specialists, there are informational sessions on safety and risk management as well as compliance and revenue cycle management. There is an exhibit hall with helicopters on display from all over the region as well as a variety of exhibits for participants to learn more about the various products and services in the EMS market. HSI will be showcasing their newly branded PULSE and LIFT portals. PULSE is a state-of-the-art web-based portal with real-time data and analytics that is part of the service package for HSI’s revenue cycle management clients. LIFT is a new release for HSI’s Communications, Transfer Center, and FlightLink CAD clients that provides live access to operational data and analytics.

“The PULSE and LIFT portals have been game changers for HSI’s current clients as they provide a level of transparency and access to information that is unparalleled by other vendors in the industry so we’re really excited to show these tools off at AMTC and partner with more programs,” comments Holly Weber, VP Business Development & Transformation.

The conference is being held at the Charlotte Convention Center, 501 S. College St., Charlotte, NC, 28202 from September 26-28, 2016.

If you wish to participate in the Air Medical Transport Conference and see the Syncordia and HSI teams at booth #429, register to attend the AMTC in person at: <http://aams.org/events/amtc/> or stop by in person and register on the spot.

About Syncordia Technologies and Healthcare Solutions, Corp.

We are a technology enhanced revenue cycle management (“RCM”) company focused on underserved niche segments of the healthcare industry. We are focused on using our proprietary software suite as an accelerator for growth. We are building a diversified software and services business by consolidating healthcare billing providers. Our growth strategy is to acquire RCM businesses with and without software and, improve their profitability by increasing revenues and operating efficiencies using our software, and in time, commercializing Platform Syncordia, our cloud-based software offering, to provide customer demanded turn-key solutions from a

single provider and to address compelling RCM market opportunities.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
