

Syncordia Technologies and Healthcare Solutions, Corp. Announces Signing of a Debt Term Sheet for up to \$16.5million

TORONTO, ONTARIO – January 5th, 2018 – Syncordia Technologies and Healthcare Solutions, Corp. (TSXV: SYN) (“Syncordia”) is pleased to provide an update on its refinancing efforts with the signing of a debt term sheet for up to \$16.5million.

Terms of the debt term sheet will be finalized pending final diligence, which will take place over the coming weeks and months. The debt term sheet has a four (4) year term and will involve a mezzanine level coupon with accompanying warrants. Final terms will be established based on operational and financial diligence and the final capital structure, as Syncordia plans to compliment this term sheet with an equity round of financing. Completion of the new debt structure will also be subject to customary approvals including lender approval, final documentation and TSX Venture approval.

About Syncordia Technologies and Healthcare Solutions, Corp. dba Syncordia Software

Syncordia Software has a portfolio investment management approach to its growth by partnering with strong companies with a focus on healthcare. We like to partner with well run businesses that have established free cash flow and a strong propensity to growth with meaningful easy to use software and IT service solutions. We are a software and information technology services company with a focus on healthcare. We are focused on using our proprietary software suite as an accelerator for growth. Our growth strategy is to acquire healthcare oriented software and information technology service companies with great teams and improve their profitability by increasing revenues and improving operating efficiencies working with the local management teams. Syncordia will leverage proprietary software to manage scale, drive better customer experiences and enhance margins while driving a competitive sustainable profile.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
